## 2012 Sponsor Recognition Program

A sponsorship with MODA is a great way for businesses and organizations to “co-brand” their products and services in the Ohio Horse marketplace. More than a sponsorship, our programs are designed to create a win-win scenario for participants -- many sponsors refer to our program as a partnership.

In addition to the good name and reputation of MODA, businesses have a partner in recognizing their gift and support of the sport of Dressage in Ohio. Our program is designed with the varying levels of participation, affording participants the flexibility to choose their level of sponsorship through MODA helping us support Dressage athletes from across the Midwest.

The purpose of the Sponsor Recognition Program is to promote those businesses and organizations supporting MODA through their sponsorship. Your participation helps us ensure that we can continue to provide educational and competitive events to the greater Ohio Dressage community
