

*Greetings Fellow MODA Members!*

We had a pretty good year despite a pandemic.... We were out there showing and staying safe AND having fun!

We are so grateful to the many volunteers who came together for our club to all help each other in our learning and competition opportunities.

Please notice all the different breeds in the program... Dressage can help every horse!

MODA has a lot planned for next year; be sure to watch for announced dates and deadlines.

A BIG THANK YOU to most of you who turned in your scores early. You really helped out. We have to do raw data entry, average, place, answer questions for people, get perpetual trophies returned, order championship trophies, order ribbons and get a program made. Thanks to Christine for helping remind people to get their scores in and doing most of the calculations.

*Thank you to those of you who returned your perpetuals in a timely manner.  
If you win a perpetual award this year, please be sure to return them in a timely manner in the fall.*

A huge Thank-You to all of you who shop at Equus Now and have told them you are a MODA Member. This helps us to earn credit for the club for our awards program. Thanks to the generosity of Equus Now! we are able to have nice prizes! Who doesn't love a trip to Equus Now!

Thanks to generous sponsors 4 Star Quarter Horses and an anonymous donor we are again giving away ribbons and buckles to hard working riders and horses.

Thank you to Schneiders who worked with us on the halters. Many people like their mail order catalog.

If you need a real estate agent, consider Jennifer Tonti of KW Classic Properties. She is a horse person herself and understands the needs of horse owners. Plus, she donated the great swag bags!

When in doubt, send in your scores, or call us! Some people didn't think they had enough scores when they really did. If you are not sure, give one of us a call.

Please be sure to put your pictures from the banquet on Facebook and tag us!
